**The road book for the voluntary prolog has to be printed by yourself!**

Due to the completely over booking of the Parkhotel with other guests, the normal procedure in the parking area of the hotel as a drivers paddock is not guaranteed. Therefore we decided to move to the "Wahliss Wiese". As a result, the procedure of administrative and technical checks and the start of the road book of the prologue change slightly:

### 1. Time schedule, ROADBOOK

#### 1.1 Administrative and technical checks in the Parkhotel Pörtschach / parking area

##### 1.1.1 Administrative checks

Enter into the drivers paddock / **Wahliss-Wiese** >> use your numbered parking place >> walk by foot to the admin. Checks in the Parkhotel (approx. 150 m) >> after administrative checks stick on your starting numbers and other stickers according to prescriptions >> drive to the technical check in drivers paddock >> leave paddock or park on your reserved number

##### 1.1.2 Technische checks

In drivers paddock, **exit Wahliss-Wiese**

You receive yellow starting numbers at the administrative checks which have to be placed outside of the front windscreen in the middle on top of the windscreen.

No start without these yellow numbers!

## 1.2 Roadbook Prolog
